Life Chain Sunday

Sunday, October 5th is National Life Chain Sunday. Right to Life-LIFESPAN will join with people across the nation standing in silent witness to the value of all human life and the necessity to respect and protect it.

This is not a rally or a march or a demonstration. There are no bands or speakers. It is, instead, a silent, peaceful effort to encourage those who drive by the Life Chain sites to think about the right to life of all, born and unborn, handicapped or able bodied, young or old. A society as great as ours should have no difficulty in providing such protections.

There are 31 Life Chain sites in the Detroit metro area. For more information on locations, see the next page.
