Sunday, October 4th is National Life Chain Sunday. Right to Life - LIFESPAN will join with people across the nation standing in silent witness to the value of all human life and the necessity to respect and protect it.

This is not a rally or a march or a demonstration. There are no bands or speakers. It is, instead, a silent, peaceful effort to encourage those who drive by the Life Chain sites to think about the right to life of all, born and unborn, handicapped or able bodied, young or old. A society as great as ours should have no difficulty in providing such protections.

There are more than 30 Life Chain sites in the Detroit metro area. For more information on locations, see the next page. This page is updated almost daily. Go to miLIFESPAN.org for the most updated version.

Thousands of participants across the United States and Canada will stand on the sidewalks in witness to their commitment to love and protect the unborn and their mothers. LIFE CHAIN challenges the community to be aware and to care. The signs deliver messages that Abortion Kills Children, Adoption is the Loving Option, Abortion Hurts Women, Pray to End Abortion, and Life-The First Inalienable Right. This peaceful, prayerful event will provide a visual statement of unity. More information on www.lifechain.net
