

“It is better to light one candle, than to curse the darkness”

*On the night of January 21st, light a candle to honor our pre-born brothers and sisters
who have lost their lives through abortion due to the Roe v. Wade*

US Supreme Court Decision made back on January 22, 1973, legalizing abortion on demand.

Over 58,000,000 lives have been lost in the USA through abortion, because of that decision.
