

LIFESPAN REPRESENTATIVE BULLETIN NOTES, OCTOBER, 2016

October 1,2 Right to Life-LIFESPAN LifeChain Sunday

Today thousands of pro-life people will line street and highways and stand in silent, prayerful witness to the beauty of life and our obligation and privilege to defend it. No speeches will be spoken, no marches will be seen, just quiet, respectful support of human life. If you are traveling about today, and see a Lifechain along your path between 2-3:30pm, stop for a few minutes and Love Life! For more information, please call the LIFESPAN office 248-816-1546.

October 8, 9 Right to Life-LIFESPAN *Movement in Motion*

The weather stopped us from going to Washington DC for the annual March for Life last year, but we are hoping lightening won't strike twice! Registration for the trip ends October 31st so to avoid late fees, register now. We are only sending 9 buses (only 9 !) and when they are full, we cannot accept any more travelers. Call Lynn at the Oakland/Macomb office for more information 248-816-1546.

October 15, 16 Right to Life-LIFESPAN Annual Luncheon

Right to Life-LIFESPAN is hosting their annual luncheon on Oct 22, 2016 at O'Kelly's Banquet Hall, 23663 Park St, Dearborn, MI, beginning at 10:30am. Jason Negri from the International Task Force on Euthanasia and Assisted Suicide will share information and resources that will help you protect yourself and your loved ones at a time when the practice of assisted dying is becoming more and more common. For more information call the Wayne/Downriver chapter of LIFESPAN, 734-422-6230.

October 22,23 Right to Life-LIFESPAN Hyde Amendment

In 1976, Congress passed the **Hyde Amendment**, which prohibits Medicaid funding of abortion. The Guttmacher Institute estimates that 1 out of 4 babies born to mothers on Medicaid would have been aborted had the Hyde Amendment not prevented federal funding for abortion. In nationwide polls 62% or the respondents have indicated that they do not want to pay for abortions with their tax dollars. During this election cycle, the Hyde Amendment is under direct attack.

For more information, please call the LIFESPAN office, 248-816-1546

October 29, 30

Right to Life-LIFESPAN

Election

Next week we as Americans have an opportunity denied to many. We have the opportunity to vote for those people we want to lead and direct our nation.

The Right to Vote is a core value of our American liberty. Please, for the sake of the future of our children, carefully examine the positions of the candidates; determine if their values are in line with your values and then VOTE.
