

CANDIDATES INFORMATION MEETING

On June 27, 8:00 P.M. at Macomb Community College, South Campus, Bldg. "S", Auditorium there will be a pro-life presentation meeting for candidates running for office in the August primary. Candidates will be notified that their constituents (you LifeSpan members and your friends) will be there in great numbers. Please plan to attend!

CONGRATULATIONS MOMS!

Lucky new LifeSpan mothers-to-be are Sally DiMichele, Rose Marie Gortat, secretary, Betty Jane Schalacter (former membership co-chairman, Macomb) and Martha Lohrstorfer, (present membership co-chairman, Detroit). LifeSpan recently had a membership drive and lo and behold.....

AREA CHAIRMEN!

If you've received a phone call lately from a gal who's said she is your new area chairman...you have probably wondered "what's this organization coming to?" Well, friends in addition to your wonderful board of directors who work VERY HARD...there was a definite need to get our inactive members to see the need for their participation. WE REALLY DO NEED YOU! The projects presented in the last issue, such as "Sept., surveying schools and libraries, Oct., election work, Christmas cards, etc." need everyone's help. So from now on you will probably be contacted by your area chairman for assistance. Don't let her down. WE WILL ONLY BE EFFECTIVE IF WE ALL WORK AT IT! Some things area chairmen can promote are respect for life weekends in churches, letter writing parties (have your friends come to the house; give them pen and paper and have them urge the president, congress, the governor, state reps. to support pro-life legislation). Also get them together for paper drives, tupperware parties, rummage/bake sales to make money for our pro-life literature and films.

Here are your area chairmen listed by zip code. East Detroit, 48021, Mary Mullins, 773-6174; Fraser, 48026 Barb Glencer, 293-7804; 48077 Betty Jane Schalacter, 264-0038; St. Clair Shores, 48080, Imelda Zeoli, 772-1630;

YOUTHFUL RIGHT TO LIFERS!

Special commendation to Cathy Brouchet, Gerry Anne McMann and Sally Strable, three courageous young girls who SPOKE OUT FOR LIFE. These lovely people put on pro-life presentations for their classmates at school. They took the time to study the issue and become informed and then discussed it with their peers. Adults take heed! EVERY ONE OF US MUST FEEL THIS SAME SENSE OF RESPONSIBILITY. WE TOO MUST BECOME INFORMED AND TAKE THE ISSUE TO THE MARKET PLACE, CHURCH, BOWLING ALLEY...OR WHATEVER!

(Editorial: Recently, there has been a General Meeting, 2 speakers workshops, and three pro-life presentations at Sacred Heart...and only a handful of people have attended. Only two more programs are left at Sacred Heart in Roseville. Take these opportunities NOW!)
