SPECIAL AWARDS FOR SPECIAL PEOPLE

Last month at our general meeting, our East Area Chapter of LifeSpan recognized three dedicated people who have been speaking out for life in churches, schools, civic groups, etc. Meritorious plaques were awarded to Bill Allor, Dr. John Barkay and Dr. Maureen Fedeson. We sincerely thank them again and hope that many more people will come forward to train to be speakers. The pro-life education program is where our strength and growth will be now and in the future.

*** Christmas Botiques ***

Christmas arts and crafts will be on sale at St. Angela Church, 25275 Chippendale on Nov. 9 & 10. (hours: 10 to 8 Sat., 10 to 5, Sun.) The items are really beautiful!

Arts and Crafts will also be offered at St. Isaac Jogues, 21125 Madison, St. Clair Shores, Sunday, Nov. 10, 11:30-2P.M. Proceeds will be given to LifeSpan.

WHERE ARE YOU?

Last Spring, our East Area Chapter of LifeSpan put on a massive membership campaign that was very successful. Over 336 members now receive our monthly newsletter.

This summer we initiated a campaign for our area chairmen to interview our new members and also a lot of interested pro-life people.

Most of you answered that you support us but you just don't have the time to help. We do have some members we know who because of age or health are patrons and we are most grateful for their money, well wishes and prayers.

But there are three hundred more people out there WHO IF EACH OF YOU DID JUST A LITTLE WORK COULD MAKE OUR LETTER-WRITING, FUND-RAISING, TELEPHONING, EDUCATING AND POLITICAL ACTION MORE EFFECTIVE!

Some of our area chairmen have to call 20 people to get 1 volunteer. At the State Convention about 30 members of our 336 attended.

Now there is election help to be offered. Don't say no again. There are Christmas cards to be sold. Don't say no, we need you!

Phone calls come in all the time suggesting things LifeSpan OUGHT TO DO. Well things just aren't going to get done unless we have the people-power behind our activities!

If you want to be an area chairman or assist the area chairman, call Mel Zeoli for information. (772-1630) If you want to be on one of the committees: education, fund raising, political action or publicity call me, Jean Polus, (751-0886). Pro-lifers cannot afford to be passive. Babies die daily...euthanasia forces (living will pushers) get stronger. We've all got to do our part! (Chairman's editorial)
